

SCHOOLGATE E-LEARNING SERVICE

As the Covid 19 pandemic is making Governments across the world to shut down activities to prevent further spread of the virus, it has become critical to come up with viable alternatives to learning beyond the classroom environment.

To this end, we are ensuring that students across the country continue to enjoy the best quality education, even from the comforts of their homes for primary school pupils.

Our Video lesson is available at www.schoolgate.ng Just visit the website and start learning for free.

Live lessons for mathematics will be available 10 a.m Monday to Friday from Thursday the 26th of March.

Yours faithfully,
Schoolgate Team
