### **FG HAILS TULIP INTERNATIONAL COLLEGE OVER LURELS**

The Permanent Secretary, Federal Ministry of Education, Arc. Sonny Echono has hailed the students and management of Tulip International Schools over the academic performance of students of the institution in various areas of endeavors, including WAEC, NECO, JAMB and other International competitions.

He stated this on the occasion of the courtesy call on him by the management and students of the Institution recently in his office in Abuja.

He affirmed the commitment of the ministry in assisting the private sector who are interested in investing in the Nigeria education sector, adding that the Ministry will continue to support private sector particularly in education to the benefit of the Nigerian child.

Speaking earlier, the leader of the visiting delegation, Dr Fertillah Bilgin told the Permanent Secretary that, the institution founded in 1998 has a total of 16 colleges in 5 different northern states in Nigeria, thereby making their own contributions to education in Nigeria.

He added that the Institution will do more if given the privilege to empower Nigeria School teachers by way of training them.

He then revealed that the institution had won 95 awards out of the 350 international competitions it had taken part in, according to Dr. Fertillah Bilgin, one of his students from Yobe State named Abdulkadiri Shuaibu Maje took the 8th position out of the over 1.6 million candidates that took the 2019 Joint Admissions and Matriculation Board (JAMB) examination.
