PRESS RELEASE

**REGISTRATION OF CANDIDATES FOR 2020 MAY/JUNE NBC/NTC EXAMINATIONS:
VITAL INFORMATION FOR PROSPECTIVE CANDIDATES AND THE GENERAL PUBLIC.**

Following the directives given by the President of the Federal Republic of Nigeria, President **Muhammadu Buhari, GCFR** on lockdown of Lagos, Ogun and Federal Capital Territory for fourteen (14) days and the general restriction of human movements across the country in order to curtail the spread of the COVID-19 pandemic currently ravaging the world, the public is reminded that NABTEB website and e-mail addresses are active to ensure that our services during this period are not disrupted

Consequently, principals/proprietors of schools, prospective candidates and the general public are to note that the registration portal for the 2020 May/June National Business Certificate (NBC)/National Technical Certificate (NTC) Examinations is still open.

Please note, that the following Learning Resources are available at the Board's website:
www.nabteb.gov.ng:-

- NABTEB Examination Syllabi
- NABTEB Chief Examiners' Reports

Prospective candidates are advised to use this period of 'Stay at Home' to access the Learning Resources to prepare adequately for the certificate examinations. Candidates and students in general can learn a lot from Chief Examiners' Reports which contain the analysis of candidates' performance in all subjects/trades in previous NBC/NTC examinations, their areas of strengths and weaknesses in each subject as well as common errors they make that lead to poor performance.
