

PRESS RELEASE

UPDATE ON THE CONDUCT OF THE WASSCE FOR SCHOOL CANDIDATES, 2020: INFORMATION TO CANDIDATES AND THE GENERAL PUBLIC

As we eagerly await the end of **COVID-19** and the resumption of normal activities in the country, the West African Examinations Council in Nigeria wishes to urge candidates to take advantage of the rich resources provided by it on the following portals to keep themselves updated, pending the commencement of the examination.

1. THE CHIEF EXAMINERS' REPORT

This will give you reasons why candidates who sat previous WAEC examinations performed below expectations. It will help you to avoid the errors that made candidates record below-average performance. Log on to: www.waeconline.org.ng/e-learning and check the Chief Examiners' Reports from 2008 to 2018.

This portal gives a comprehensive analysis of candidates' performance in all subjects, identifying their strengths and weaknesses, what they failed to do and what they should have done to perform better. The link again is: www.waeconline.org.ng/e-learning

2. CANDIDATES' INTERACTIVE PORTAL (WAECKonnect.com)

This is an interactive information sharing platform that allows the Council to effectively engage candidates before, during and after examinations.

Candidates are advised to log on to the portal: www.waeckonnect.com with the login details sent to their email addresses during the registration process, and avail themselves of this veritable tool for their examination success.

It is necessary to admonish candidates not to play around during this waiting period, but to study hard for the postponed examination. A new timetable will be announced once normalcy is restored.

WAEC wishes you success in advance.

Thank you.

Signed:
