

UPDATE ON NABTEB EXAMINATIONS

While commending the Federal Ministry of Education and all State Ministries of Education and their stakeholders, for excellent planning and a smooth resumption of school and examinations for the exit classes, I wish to, on behalf of my Board - the National Business and Technical Examinations Board (NABTEB), provide the following updates on our examinations:

- 1) A reminder that the NABTEB NBC/NTC examinations **will soon commence on the 21st September and end on the 15th day of October, 2020** as already announced by the Federal Ministry of Education;
- 2) **The National Common Entrance Examination (NCEE) for JSS 3 Students' admission to Technical Colleges has been brought forward from October 3rd to September 5th.** This is in consideration of the convenience of JSS candidates seeking admission to Technical Colleges who will be concluding their BECE examinations on Friday 4th September, 2020. With the new date, there will not be any need for them to go back to school on October 3rd for another examination;
- 3) **The Deadline for registration of candidates for the NBC/NTC examinations has been extended to 4th of September.** This is to accommodate requests from various States that have not been able to complete registration of their students due to exigencies arising from COVID-19 Lockdown.

My warm and esteemed regards, please.

Professor (Mrs.) Ifeoma M. Isiugo-Abanihe

Registrar/Chief Executive, NABTEB.
